ALMA MATER

How dear to our hearts will the memory be
Of the days we have spent in thy care,
When within thy dear halls we have lingered awhile
All thy gifts and thy blessings to share.
So the memory of thee will ever remain
While we think of each dear hallowed scene;
And the bonds of true loyalty, blest through the years,
Our affections will ever keep green.

Then, to thee, Alma Mater, we'll ever be true,
Though the coming years scatter us far;
And ideals you taught us will ever be bright
Shining out as our life's guiding star.
We will cherish thy name wherever we roam,
And forever thy praises repeat.
Hail to thee, Alma Mater, our happiest days
Are the days we have spent in Montreat.

OFFICE OF THE PRESIDENT

TELEPHONE 704-669-8011

Dear Student:

Welcome! I am glad you have chosen Montreat-Anderson College.

We are a small community of learners where faculty and students living, studying and worshipping together seek after knowledge and grow in maturity in Christ. We endeavor to teach students to think clearly, achieve a set of Christian values and communicate effectively with others. Here, every student is known by and is a deep concern to the faculty.

Student government is an important part of life at Montreat-Anderson College. It has given fine leadership in years past and I am sure that we can count on you to participate in sharing responsibility and giving the leadership that is needed for the school year 1980-81.

You are important to the college community. Your words and actions will probably mean more in building a wholesome, healthy and strong college image than anything I can say or do. Are you ready for college and are you ready to accept your responsibility as a student here? I hope so.

On behalf of the Board of Trustees, the Administration and the Faculty, I welcome you and wish you well. If there is anything that I can do to assist you, my door is open and I urge you to come by for a visit.

Very sincerely yours,

Silas M. Vaughn

THE HONOR SYSTEM

Life at Montreat-Anderson College is based on the belief that the ideal community is made up of honorable individuals. Mutual trust and consideration are essential to such a community, and it is for these that we strive.

Each student and faculty member has a responsibility for himself and for every other member of the college community. The failure of one person to live honorably is in part the failure of all. The movement of one individual toward complete understanding of Christian living is a step toward honorable living for the whole college.

For this reason the students of Montreat-Anderson have accepted the "Honor System," under which each student agrees to try to discipline his own life and to be ready to help all others to discipline their lives toward the goal of a community in which each member will merit trust and respect. It is in large part due to the acceptance by faculty and students of the Honor System as a way of life, that the "Spirit of Montreat" is a reality, not only on the campus, but wherever former Montreat students are found.

Composed of student officers and representatives, and faculty advisors, the purpose of the Honor Council is to "be a friend." When an individual fails to uphold the Honor Code, the desire of his fellow students is often to counsel with him personally, rather than "turn him in". Little forethought is necessary to realize that this method of preserving community well-being would soon lead to anarchy. Cooperation and uniformity are vital to the success of the Montreat Community. Thus, the Honor Council is the ordained and common vessel for dealing with weaknesses in the community.

THE HONOR CODE

Under the Honor Code, you, the student, are on your honor not to lie, cheat, or steal, and, if you do, you are on your honor to report yourself within twenty-four hours to a member of the Honor Council. If you see an-

other student lying, cheating, or stealing, you are on your honor to confront him by asking him to report himself to a member of the Honor Council, and, if he does not do so within twenty-four hours, you are to report him.

The Honor Code places upon you a dual responsibility. First you are responsible to see that you conduct yourself in accordance with the Honor Code. Secondly, you also are responsible insofar as possible to see that your fellow students do likewise. This system places considerable responsibility for self government on the students themselves. This college believes that mature students are capable of handling this serious responsibility. You are the governing system and you are responsible for its success.

THE HONOR PLEDGE

I PLEDGE WITH GOD'S HELP TO UPHOLD THE HONOR CODE OF MONTREAT-ANDERSON COLLEGE. I STATE MY ACCEPTANCE OF THE PRINCIPLES EXPRESSED IN THIS HONOR SYSTEM AND PLEDGE TO LIVE SO AS TO MAKE IT MEANINGFUL TO MYSELF AND TO THE COLLEGE COMMUNITY.

HISTORY AND PURPOSE

Montreat-Anderson College is a Christ-centered, fully accredited junior college committed to presenting a liberal arts education with a Christian perspective. The college began in 1916 as Montreat Normal School, an institution founded by the Presbyterian Church, U.S., to prepare young women to become Christian teachers. In 1933 the school became a junior college and was renamed Montreat College; from 1945 to 1959 it was a four-year college for women. In 1959 it became a coeducational junior college and was renamed Montreat-Anderson College. Its founders established the college for the purpose of teaching "the Biblical view of the nature of man and the meaning of life." Today, that commitment to a Christ-centered education continues at Montreat-Anderson College.

The college seeks to educate the whole person — academically, spiritually, physically, and socially — and an atmosphere of friendliness and concern for

others exists on campus, fostered and growing in a commitment to Jesus Christ.

The Presbyterian founders of Montreat-Anderson College were men of strong conviction and clarity of purpose. They proposed in their charter "that those attending the college receive a sound and thorough Christian education suitable to their needs." They made it clear that they were establishing a college in which students would receive "instructions in the Holy Bible." Over the years this original purpose of the founders to provide" . . . a sound and thorough Christian education" has been continually affirmed, and the college today prizes its church-relatedness as that which gives it a distinctive stance in the educational world.

(Action by Dorm Council)

There shall be no public display in windows or in hallways or other public rooms of decorations or materials which could give offense. Such observations should be reported to the Head Resident of the particular dormitory.

Since it is recognized that accepted standards of good taste and propriety impose certain limits on room decorations, it shall be left to the individual student's discretion, subject to the regulations in this Handbook, as to the appropriateness of the internal decorations of individual rooms. However, it is expected that he will display on the walls of the room only such pictures and decorations as are in accord with the ideals and moral standards of the college. Therefore, nude and/or offensive pictures or decorations may not be displayed within the room.

ROOM SEARCH AND SEISURE

(Action by the Dean of Student Affairs)

The Administration reserves the right to allow Deans, Head Residents, Hall Counselors and other designated personnel to enter any dormitory room, whether occupied or not. It shall not be necessary for any of the above mentioned employees to refrain from entering a student's room without invitation. Rooms must be inspected regularly to assess their cleanliness and other health standards established by law. No room will be searched or any materials seized without the presence of a member of the Administration or their representative present, or without the consent of the occupant(s).

ATTENDANCE AT COLLEGE FUNCTIONS

(Action by Dean of Student Affairs)

The Board of Trustees has passed the following resolutions:

> *"That the Board of Trustees affirm its conviction that corporate worship is an essential feature of the life of a Christian academic community, that participation in worship is an important element in the student's educational experience in a church college."*

"That the Board of Trustees instruct the administration and faculty that chapel be conducted each week as an act of corporate worship by the college community. That faculty and staff be urged to attend regularly and that students be required to attend. That faculty, staff, and students be urged to gather for corporate worship on the Lord's Day."

Students are urged to attend regularly the church of their choice, Sunday evening vesper services, and prayer meeting. (No meeting of required attendance is to be scheduled at the time of the weekly Wednesday night prayer meeting — 7:00 p.m. to 8:00 p.m.)

As part of the Montreat-Anderson College way of life, all resident students shall attend General Studies and upon satisfactory completion shall receive one-half credit each semester.

Unless you have successfully completed the minimum requirements of General Studies, you should attend both Convocation and Chapel regularly until you reach the minimum requirements which are 10 by mid-term and 20 by final exams."

It will be the responsibility of the Dean of Student Affairs' office to keep a record of attendance at chapel, college convocations, and official college functions, and to provide for excuses when they are warranted.

(Action by the Dean of Student Affairs)

Students shall uphold the Christian philosophy of Montreat-Anderson College by exemplifying proper forms of behavior. Students are therefore expected to refrain from heavy petting and from extramarital inter-

Persons found guilty will normally be suspended from College. Appeals may be submitted in writing within 24 hours to the Chairman of the Administrative Committee.

Students shall possess high social ideals in their respect of others and in deciding the limits of personal intimacy engaged in, in public. Persons found guilty will normally be placed on Disciplinary Probation for the first offense. The second offense will normally result in permanent suspension.

POSSESSION OR USE OF ILLEGAL DRUGS

(Action by Honor Council and the Administrative Committee)

Students who possess, consume, or sell any drug, on or off campus, are in serious violation of College regulations. Such persons will be tried by Honor Council or by the Administrative Committee. The Administrative Committee will have the responsibility to review all cases concerning drugs. Burning of incense in the residence halls is prohibited. Action will range from rehabilitative consultation to expulsion.

ALCOHOLIC BEVERAGES

(Action by Dean of Student Affairs)

Montreat-Anderson College is opposed as a matter of principle to the use of alcoholic beverages by students. Off-campus consumption that adversely reflects upon the college will result in disciplinary action. The above regulations apply equally to day students.

Drinking or being in possession of alcoholic beverages in the dorm, on campus, or being under the influence on campus will result in a minimum of disciplinary probation or a maximum of expulsion.

Students are responsible for seeing that their dates abide by the regulations.

LIVING OFF CAMPUS

(Action by Dean of Student Affairs)

All regular students are required to register as dormitory residents unless they are married or commuting students living with their family, or when because of special circumstances, some other arrangement has been made with the Dean of Student Affairs.

All single students living off campus may not have members of the opposite sex in their residence unchaperoned.

OFF-CAMPUS CONVICTIONS

(Action by Administrative Committee)

Any student convicted in a public court of law will be subject to investigation and possible disciplinary action.

POLICIES ON SMOKING

Although there is strong evidence that smoking is hazardous to one's health, the College allows individuals to decide for themselves whether or not to smoke. However, there are certain places and under certain circumstances that smoking should be regulated:

1. No smoking is permitted in any classroom.
2. No smoking is permitted in the Library except in the lower lounge.
3. No smoking is permitted in the Science Building.
4. No smoking is permitted in McAlister Gymnasium.
5. No smoking is permitted in the Student Health Center.
6. No smoking is permitted in the elevators.

It is highly recommended that the students, staff and faculty refrain from smoking in the lobby and halls of Gaither. In addition, smokers should consistently be aware of the rights of non-smokers so as not to cause irritation or discomfort. It is, therefore, recommended that smokers decrease or refrain from smoking at meetings, particularly indoors, where non-smokers are present (examples: dorm meetings, student activities, lobbies, and the cafeteria).

CAR REGULATIONS

(Action by the Dean of Student Affairs)

All student automobiles or other motorized vehicles (whether operated by resident or day students) shall be registered with the Dean of Student Affairs' Office. Upon registration, the student will be issued a bumper sticker. Vehicles without a sticker may not park on the college premises. First violations are a $5.00 fine.

When a student receives a parking permit, he is expected to allow his car to be searched by the security officers or by an authorized officer of the college. Refusal to allow a car to be searched will result in the revocation of the student's right to keep a car on campus.

Students on disciplinary probation may not loan, borrow or use a car or motorized vehicle on campus. Students on academic probation (See page 32).

All other resident students may have a car on campus provided they secure a bumper sticker from the Dean of Student Affairs. Any vehicle issued a permit for campus use must be the possession of the student making application or of someone in the immediate family of that student. Once a permit has been issued to a vehicle, that permit may not be transferred to another vehicle.

Violations ($5.00 Fine)

A. Operation of a motor vehicle which causes a disturbance will constitute a violation, and will subject the driver to action by the Dean of Student Affairs.

B. Driving a motor vehicle carelessly or driving under the influence of alcohol will constitute a violation, and will subject the driver to action by the Dean of Student Affairs.

C. Failure to pay fines within three days of receiving a citation will result in an additional $3.00 penalty. If suitable arrangements to pay, or if the payment has not been made within 15 days, the parking permit of the offender will be revoked.

Responsibility

A. The person in whose name a vehicle is registered at Montreat-Anderson College will be held re-

sponsible for any violation involving the vehicle incurred by the registrant or other operators.

B. Montreat-Anderson College cannot assume responsibility for any motor vehicle or its contents.

Parking

A. Resident students are to park in spaces designated by the college nearest their dorms.

B. Faculty, staff and Day Students are to park in areas so designated.

C. Students are not to park in visitor space or on private property.

MOTEL REGULATIONS

(Action by the Dean of Student Affairs)

Resident students are not permitted to sign out to a place of public accommodation unless circumstances require, in which case written permission must be secured from the Dorm Resident and from the parents at least 24 hours before time of departure.

Written permission must be obtained from parents for students to sign out overnight. This permission must be filed with the Head Resident of the hall in which the student resides and may cover the whole year. In no cases may unmarried students take overnights in accommodations with members of the opposite sex.

FIRE EQUIPMENT

(Action by the Dean of Student Affairs)

Fire alarms and fire extinguishers are placed throughout the college buildings for the security of the community and in order to meet insurance regulations. The Dean of Student Affairs will impose severe discipline on any student who makes unauthorized use of or interferes in any way with the efficient functioning of this equipment.

FOOD SERVICE POLICIES

(Action by the Dean of Student Affairs)

The College is under contract with Epicure Management Services, Inc. for food services. All resident students are required to take the College cafeteria food

plan. Generally, no line cutting by students is permitted. Faculty and staff also are expected to refrain from cutting line except in unusual circumstances. Taking utensiles from the cafeteria without permission is an Honor Council offense.

Each student is entitled to seconds except on certain main course items such as meats. All portions of food are on a personal consumption basis. A student may not elect to give portions of food to others.

Any misconduct or abuse of the above regulations may result in disciplinary action by the Dean of Students Office. Any recommendations or suggestions regarding food service should be made directly to the Manager of the food service or the Student Government Association.

THE FAMILY EDUCATIONAL RIGHTS AND PRIVACY ACT OF 1974

The Buckley Amendment - Public Law 93-380
(Action by the Dean of Student Affairs)

This Act grants to all students enrolled in secondary education the right to inspect, to challenge, and to a degree control the release of information about a student in their files.

1. The request must be in writing on forms provided in the Dean of State Affairs' Office. The College has 45 days to comply with each request.
2. Following access, the student (or parent) may request a hearing to challenge the contents of a record. The Dean of Student Affairs will arrange the time and place and notify the student (or parent) of such.
3. Except under court order will the information within a student's file be released without the written consent of the student. This provision excludes the custodian of the file.
4. Anyone properly looking at a student's file must put a signed explanatory form therein.
5. This Student Handbook, mailed to all students at their homes, complies with the requirement that students (or parents) be duly notified of their rights.

ACADEMIC REGULATIONS OF THE COLLEGE

(Action by the Dean of the College)

Students are expected to be familiar with all of the academic regulations stated in the college catalogue

and are responsible for abiding by them. Other academic regulations may be stated by the Dean of the College or the Academic Affairs Committee.

DISCIPLINARY SUSPENSION

(Action by the Dean of Student Affairs)

The Administration reserves the right to suspend or require students to withdraw from Montreat-Anderson College for reasons of serious misconduct or failure to comply with the basic principles and purposes of the college. The Administration further reserves the right to suspend students whose character and morals are not in keeping with the ideals of a Christian college or whose influence is detrimental to it. The duration of suspension may range from one week for lesser violations to permanent expulsion for major offenses. There will be no refund when dismissed for disciplinary reasons.

CLASS ATTENDANCE

(Action by the Faculty)

Each instructor will prepare his/her requirements for attendance in his/her classes and will distribute these, in writing, to the students, to the two Deans, and to the Academic Affairs Committee, at the beginning of each semester. Attendance regulations for General Studies will be posted at the beginning of each semester. It will be the responsibility of the instructor to enforce the regulations and to include the manner of enforcement in the written description.

In no case shall a student have more than 25% absences in any class. If a student misses more than 25% of the class sessions in any course for any reason, he/she will be dropped from the class with a grade of "F."

Students on Academic Probation shall have no more than one unexcused absence in any course. If a student on Academic Probation has more than one unexcused absence in any class, he/she will be dropped from that class with a grade of "F." Check with the Registrar or Academic Dean when receiving a grade of "F" if you have questions.

Registration in a course obligates the student to be regular and punctual in class attendance beginning with the first meeting of the class. Absences will be counted from the first day of classes. The responsibility for work missed because of unavoidable absence rests entirely upon the student. Students wishing to obtain written excuses for appearance in court, death in the family, and emergency absences should obtain these from the Dean of Student Affairs.

ATTENDANCE POLICY PROCEDURES

If a student falls below 12 academic hours because of having been dropped from a class for failing to observe attendance regulations, or if a student has been dropped from one of the courses required for remaining in college (Bible 101, 102, and General Studies (one-half hour each semester), he/she may appeal in writing within 24 hours of receipt of notification for permission to remain in school. Check with the Registrar regarding the regulations on 12 academic hours or less.

GRADING PERIODS

The final grade in each course is assigned and recorded at the end of each semester. In addition, mid-semester progress reports are made by the faculty; unsatisfactory grades are reported to students. These mid-semester reports do not become a part of a student's official record. Teachers of independent study courses may, at their discretion, submit NR (no record) grades at midsemester.

POINT AVERAGE

Quality points are assigned according to the following system:

1 Semester hour with a grade of A counts 4 points.
1 Semester hour with a grade of B counts 3 points.
1 Semester hour with a grade of C counts 2 points.
1 Semester hour with a grade of D counts 1 point.
1 Semester hour with a grade of I or F counts 0 points.

Quality point average is determined by dividing the number of quality points by the number of semester hours attempted. For example: 3 semester hours of B (9 quality points), 6 semester hours of C (12 quality points), 3 semester hours of D (3 quality points), and 3 semester hours of F (0 quality points), provide a total quality point average (QPA) of 1.6.

REQUIRED COURSES FOR CONTINUING IN SCHOOL

Full-time students who are not enrolled in the required courses for remaining in College and who have not completed work in them will be subject to suspension from the College by the Academic Affairs Committee.

All regular and full-time students must be enrolled

for the following courses unless they have successfully completed the requirements in them: Bible 101, 102 and one-half semester hour of General Studies per semester.

ACADEMIC PROBATION

(Action by the Faculty)

Full-time students are required to maintain a specified quality point average on a minimum of 9 hours to remain in good standing. A student who fails to gain a QPA of 1.5 after his/her first semester and 1.75 thereafter will be placed on Academic Probation. Under certain circumstances, a student may be placed on Academic Probation, by act of the Dean of the College or of the Academic Affairs Committee. The status of Academic Probation is withdrawn at the end of the semester if the student has earned the specified quality point average. Certain privileges may be restored by the Dean of the College to a student on Academic Probation if the student has no unsatisfactory grades at mid-semester. Any student who has Academic Probation status at the end of two consecutive semesters will be suspended.

A student placed on Academic Probation will be limited to thirteen academic hours per semester exclusive of P. E. activities, General Studies, Concert Choir, and Reading. He/she will have no more than one unexcused absence in any course.

Students on Academic Probation must attend evening study halls regularly and will not be allowed to participate in any major extracurricular activities, which are defined generally as activities requiring participation more than once a week. Intramural sports are excepted from this regulation since this does not involve regular practice. Exceptions will only be allowed with the written permission of the Dean of Student Affairs or the Dean of the College. No student on Academic Probation will be permitted to loan, borrow, or use a motorized vehicle on campus without permission, except on weekends.

ACADEMIC SUSPENSION

(Action by the Faculty)

The Administration reserves the right to suspend or drop a student from the College because of poor scholarship. Any student on Academic Probation who fails to

meet the requirements of the probationary status will be suspended without refund of fees. A student who has Academic Probation status at the end of two consecutive semesters or who is dropped from Bible 101, 102, or General Studies, will be suspended without refund of fees. A student who has Academic Probation status at the end two consecutive semesters or who is dropped from Bible 101, 102 or General Studies, will be subject to suspension. A student who has more than 25% absences in any class will be subject to suspension. Any other student who, in the opinion of the Academic Affairs Committee or of the Dean of the College, is consistently neglectful of his/her academic responsibilities will be suspended from a course or from the College.

A student who is suspended by the Dean of the College has the right of appeal to the Academic Affairs Committee; a student who is suspended by the Academic Affairs Committee has the right of appeal to the Dean of the College or to the President. Persons suspended must leave campus within a specified time and not return during the period of suspension without written permission from the Dean of Student Affairs.

Any student who is suspended for academic reasons may seek re-entry by re-applying to the College after one regular semester and if readmitted, will be placed on Academic Probation. Work undertaken in summer school and averaged into the previous semester's work will be considered in evaluating a student's probationary status.

REGISTRATION

Toward the close of each semester, students in conference with their advisors plan and register for their course program for the following semester. Registration will then be closed until a designated final registration day at the beginning of each term. Failure to register at the stated time will mean a possible loss of course selection and a late registration fee of $10.

To facilitate transfer to senior institutions, it is important that junior college students meet the requirements for the Associate Degree. If the senior institution has been decided upon, students should become familiar with the requirements of the program they plan to enter and choose their electives to meet the requirements of the program at that institution. The faculty advisor will approve such planning prior to registration. The Registrar and faculty advisor assist in arranging programs of studies, *but it is the student's responsibility to become familiar with and fulfill all requirements for his/her degree.*

If students attend a course or section for which they are not officially registered, they will not receive credit for the work. If they do not attend a course or section for which they are officially registered and do not officially drop the course through the Registrar's Office, they will receive a grade of "UF" for that course.

WITHDRAWAL FROM THE COLLEGE

A student withdrawing from the college for any reason must obtain a withdrawal form from the Registrar's Office and return it properly completed. If the withdrawing student fails to follow this procedure, he will not be entitled to an honorable dismissal. Full charges will be made and no refunds given to students who fail to complete the withdrawal form.

If the withdrawal occurs after the last day for dropping courses, a grade of "WF" will be recorded for each course unless the Academic Affairs Committee rules otherwise or unless the withdrawal is due to certified medical reasons.

Further academic regulations and policies are found in the official academic catalogue of the College and students are responsible for complying with these regulations and policies.

STUDENT OFFICERS

(Action of Faculty)

A quality point average of 2.0 is required for:

Dorm President
President of Honor Council
Student Government President
Student Christian President
Activities Chairman

and a 1.75 quality point average for the Hall Counselors.

ELECTION OF OFFICERS

(Action by the Dean of Student Affairs)

Student leaders are encouraged to campaign actively and seek election of office in campus clubs and organizations. However, winners of major offices may

not be chosen dormitory counselors and/or dorm presidents. Students are discouraged from holding more than one major office on campus. This policy will help protect the student's academic pursuits and participation in other activities.

EXTRACURRICULAR PARTICIPATION

(Action of the Dean of Students)

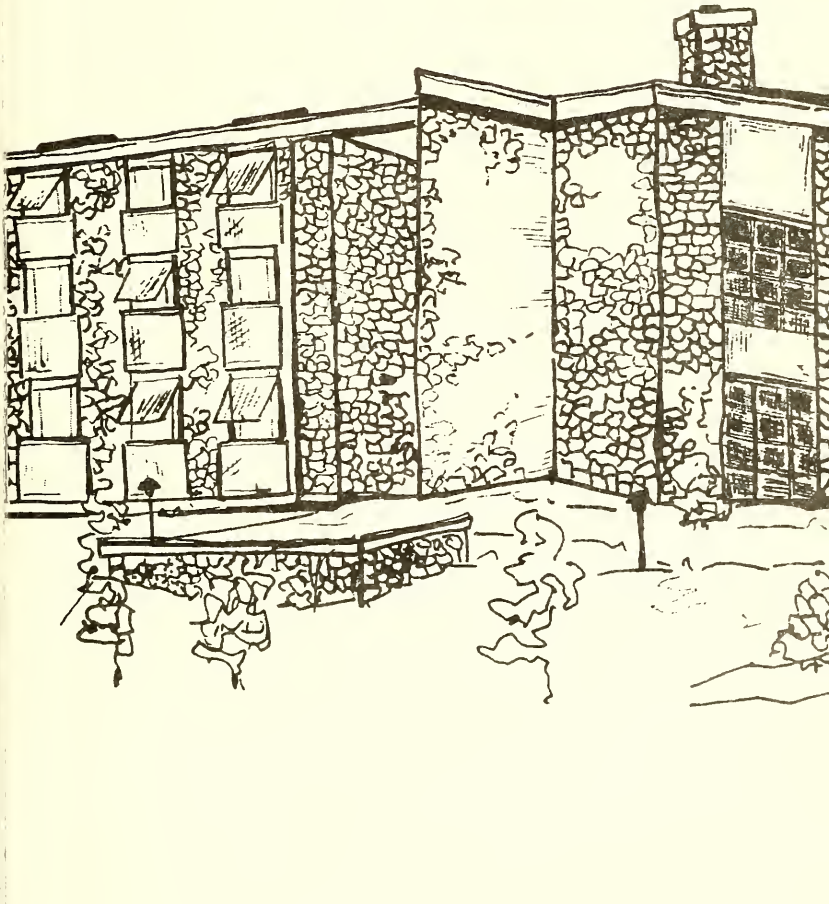
For first-semester Freshmen there will be no restriction until mid-term notices are given. Any first-semester Freshman who is on Academic Probation at mid-term will not be permitted to represent the college in any contest or public performance, except with the permission of the Dean of the College or Dean of Student Affairs.

For participation in extracurricular activities by students on academic or disciplinary probation, there will be certain restrictions. Generally, all students may participate. in extracurricular activities. Students in good standing are not restricted from participation in any extracurricular activities. Membership varies between various organizations, teams, drama, etc. The eligibility requirements in each of these is established by the Advisor or Coach at the beginning of the school year.

TUITION AND FEES

Basic charges and special instructional fees for each semester are due and payable to Montreat-Anderson College on or before the first day of class for each semester. FINAL ADMISSION AND ENROLLMENT CANNOT BE GRANTED TO A STUDENT UNTIL SATISFACTORY FINANCIAL ARRANGEMENTS HAVE BEEN MADE WITH THE TREASURER OF THE COLLEGE.

Student Government Regulations



STUDENT GOVERNMENT REGULATIONS

General

These regulations are based on the assumption that most student behavior in college is governed by the good judgement and common sense of the student. The following regulations are intended to provide the minimum regulations necessary for successful community life and to give each student maximum opportunity for successful adjustment to college life.

Number of weekends allowed away from college

During the first three weeks of the orientation period at the beginning of the college year, Freshmen are restricted to campus.

After the first three weeks of the orientation period, students may use their discretion in choosing the number of weekends away from the campus.

Damage to college property (See College Regulations, Respect for Property)

Resident students are held responsible for any damage to their room or dormitory, and damage charges will be made to the occupant involved.

All students are responsible for college property and will be held accountable.

Meetings

Before a class meeting can be held and any action taken, a quorum of 40 per cent of the class must be present.

All meetings must be conducted by parliamentary procedure.

Because of the importance of full student participation and the difficulty of group planning with only partial membership present, attendance will be required for the following:

1. Official college convocations
2. Hall meetings - 8
3. Class meetings - 2
4. Dormitory meetings - 8

An excuse for absence from the above meetings must be obtained from the respective president before the meeting.

Explanation of the Disciplinary System (See Student Judicial System Section in Handbook)

Delegation of Responsibility by Student Government

The officers of the SGA, as well as the other students, have come to the college to acquire an education.

For this reason the Dormitory Councils, the Inter-dormitory Council, and the Honor Council may turn over to the Administration any disciplinary case serious enough to require a trial, should the case arise within the week before or during the formal examination period at the end of each semester.

Recording of Disciplinary Action

The first Monday of each month, the Secretary-Treasurer in the respective dormitories is to report the assigned campuses, restrictions, and official warnings to the office of the Dean of Student Affairs for recording.

The policy for recording disciplinary action on permanent records is determined by the administration of the college.

Telephones

Local calls should be held to a minimum out of consideration for others. Failure to observe this limit may result in dorm council action.

Dress Regulation

The Student Government Association does not feel that it should regulate individual modes of dress. Reasonable discretion in clothing and appearance is expected of all students.

It is recommended that students wear appropriate attire to show due respect for those guests coming on campus.

Shorts may not be worn to classes.

Weather permitting, students may go barefoot on campus, with the exception of classes, Gaither, and Howerton Cafeteia.

Bathing suits may only be worn in areas designated

for swimming or sunbathing.

Student Government Regulations for Students

Dormitory Living

Dormitories are to be reasonably quiet at all times; very quiet during study hours Monday through Thursday and after 11:00 at night.

Visiting in Dormitories

The lobbies in the dormitories are open from 11:00 A. M. to 12 midnight. Exception is made when dates wish to meet for church on Sunday morning.

Please read section on "Overnight Guest Policy" for further details.

Signing In and Out

When leaving the campus at or after 9:00 P.M., First Semester Freshmen must sign out on a sign-out card: the time leaving, the person accompanying, the destination, and expected time of return. When returning to the dormitory, the student should sign in the time of return. If tardiness is unavoidable, the student must call the Head Resident prior to curfew time to make arrangements to be let in late. Generally, overnight permission should be limited to once per week excluding weekends. Freshmen may not sign out overnight the first three weeks.

Students may not sign in until their dates have left the dormitory. Any lateness beyond the curfew hour (by the clock in the lobby) will be recorded and will result in disciplinary action when more than 15 late minutes have been accumulated during one semester.

Overnights (Both Male and Female Students)

All overnight departures from campus must be signed for and approved by the Head Resident by 11:00 P.M. before departure. Students must sign out on a card initialled by the Head Resident. Overnight permissions, except as previously restricted, are managed on an individual basis between the Head Resident and

students through forms mailed home during the Summer whereby a policy is established with the parents.

False information or failure to sign out for overnight departure will result in disciplinary action by the Dorm Council.

Dorm Hours
(Quiet Hours, Study Hall, and Locking-Up)

On Monday through Thursday, all first-semester Freshmen and students on Academic Probation must be in their dormitory or the Library by 7:00 P. M. for study hall, until mid-term grades are determined. Normally, you are expected to be in your room or the Library studying unless you have made arrangements with your Head Resident ahead of time. After mid-term grades are determined, study hall applies only to students on Academic Probation or Disciplinary Probation. There is no early curfew for students on Academic Probation. Absences from study hall must be approved in advance by a Hall Counselor or the Head Resident. They may leave the dormitory from 9:00 to 12:00 P.M. This will be enforced in all dormitories. Study hall is held 7:00 to 9:00 P.M. Monday through Thursday. No noise is permitted during this time. In addition, the dorms should be quiet from 11:00 P.M. to 9:00 A.M. nightly.

The dormitories will be locked by 2:00 A.M. All students, unless they have permission to be out overnight, are expected to be in before the doors are locked. In addition to this curfew of lock-up, first-semester Freshmen shall be in weekdays by 12 o'clock Sunday through Thursday and 1:00 A.M. Friday and Saturday. Curfew for second semester Freshmen on Friday and Saturday will be 2:00 A.M. with no late permissions given.

Sophomores shall be in by 1:00 A.M. Sunday through Thursday and 2:00 A.M. Friday and Saturday. Sophomores and second semester freshmen may take five late permissions each semester. All students wishing to take late permissions must arrange in advance with their Head Resident. No late permissions shall be granted when the request comes after 11:00 P.M. for that night unless it is an unavoidable emergency. Students on academic and/or disciplinary probation may not have late permissions. No late permissions may be taken on a Friday or Saturday night.

All students who exceed the curfew time stated above are subject to punishment for excessive late minutes. Names will be reported to the Dean of Student Affairs.

Visiting Hours

The lobby of all dormitories will close Sunday through Thursday - 12:00 midnight, Friday and Saturday - 1:00 a.m. Opening hours will be posted.

All dormitories at Montreat-Anderson College are single-sex for occupants and except for lobbies, the floors are off-limits to members of the opposite sex except during official Open House schedules or by special permission of the Head Resident.

Dating Conduct

1. Dates are to call for women students in the lobby of the dormitory.
2. Students are expected to use discretion and good taste in their dating conduct in the public areas of residence hall as well as on the campus.

Housekeeping

Dormitory rooms should be cleaned thoroughly once a week, and kept neat and tidy at all times. Room inspections will be held periodically by the Dorm Resident and Counselors.

Rooms must be left clean at the beginning of vacations and at the end of the year when students check out. Failure to do so will mean a charge.

Nails, thumbtacks, screws, hooks, pins, hangers, etc., may not be driven into the walls or woodwork. Scotch tape or other adhesives should not be applied to walls or woodwork. Masking tape may be used.

No pets of any kind are permitted in any part of the resident halls.

Sunbathing

Sunbathing is permitted only in the following areas: swimming pool for all students, the driveway behind the women's dorms for women residents, and the lawn behind Davis Hall for Davis residents.

Respecting Rights of Others

Students are to observe the property rights of others. Violation is an Honor Council offense.

"Do Not Disturb" signs are to be respected and failure to do so will result in assignment of official warnings.

OVERNIGHT GUESTS POLICY

All guests who stay overnight on campus must register with the Head Resident and/or Dorm President in the dormitory where they plan to stay. Each guest will fill out a registration card. If the guest has a car it should be registered with dorm Head Resident. You are responsible for your guest as long as he or she is staying with you. Any student who houses a guest and fails to have them register is subject to receiving an official warning. All guests must conduct themselves in accordance with the college regulations.

Having overnight guests during the week is discouraged. However, if you do wish to have a guest during the week, permission must be obtained from your resident advisor.

SINGLE ROOMS

Single rooms will cost 1½ times the normal charge for a room. A single room is available only on the basis that such rooms exist after all students have been housed. Should a double room lose one of its occupants during a semester, the student remaining will not be charged the additional cost. He will, however, be reassigned a room at the beginning of the next semester unless he desires to pay the additional cost for a single room.

FUND-RAISING

All fund-raising projects and solicitations on campus must be approved in advance by both the Student Government Association and the Dean of Student Affairs. Normally, the student activity fee is expected to cover the cost of student organizations and activities.

LAKE SUSAN

This small lake located in the center of campus is primarily a beauty spot and used for boating and fishing only. Swimming is not allowed in this lake.

GENERAL INFORMATION

ASHEVILLE COMMUNITY CONCERTS AND THEATRE

Students may purchase season tickets at the beginning of the school year for one or both of these series. The concert series brings five wellknown artists or groups to Asheville during the year — orchestras, pianists, dance groups, etc. The Theatre presents the same number of plays, using local talent; it is considered an excellent amateur theatrical group.

BULLETIN BOARDS

Announcements are made by means of notices on bulletin boards. Faculty members also use such notices to get in touch with students and students are responsible for reading notices. Students should form the habit of checking the main bulletin board in Gaither Hall twice daily and the boards in dormitories regularly.

LAUNDRY

A self-service launderette is located in the shopping center and is open every day except Sunday, from 8 a.m. until 9 p.m.

L. NELSON BELL LIBRARY

The library houses a collection of 45,000 books as well as collections of recordings, filmstrips, college catalogs, and some 250 current periodicals. Library hours will be announced each semester.

STUDENT HEALTH SERVICE

Students should report to the Health Center when ill or injured. A nurse is in the office from 8:00 A.M. to 12:00 noon and from 12:30 to 5:00 P.M., Monday through Friday and from 11:00 to 12:00 noon on Saturday. Students are requested to come to the clinic during these hours. Only emergencies will be cared for after hours. A nurse can be located in the evenings and on weekends by contacting the Head Resident in your dorm or a hall Counselor.

Absence from class for illness or injury will be verified by the college nurse only if the student is admitted to the Health Center. If the student does not report to the Health Center for illness or injury and classes are missed, the student will be expected to settle the matter directly with his/her instructor.

All appointments with physicians should be made through the Health Center. Students who need a phy-

sicians care will be referred to the college physician whose office is in Black Mountain. The college physician or the college nurse will refer students to specialists in Asheville when necessary. There is a charge for an office visit and prescription medications.

Any emergency should be handled by the college nurse. She will make arrangements for the student to be taken to the emergency room in Asheville.

There are no regular visiting hours for students admitted in the Health Center. Roommates may bring mail and other items to the student with permission of the nurse.

Students are encouraged to use great care when using a sunlamp and when sunbathing. Classes missed due to carelessness in this area will not be excused by the Health Center.

MONTREAT STORE

The general store is open at 8:00 A.M. until 5:00 P.M. each day. Supplies of all kinds may be purchased here. It is located in the commercial center with the post office and launderette. The store is closed on Sundays.

BOOK STORE

Textbooks, paperbacks of general interest, and supplies, etc., can be purchased in the centrally located Book Store for which the hours are posted.

POST OFFICE

The Montreat Post Office is located in the shopping center near the grocery store and laundry. This building houses all the mailing for Montreat, since it is a United States facility. Students rent post office boxes here, purchase postage and money orders. Since mail does not go to a dormitory or building on campus, it is absolutely necessary to rent a box and have all mail addressed to that box number, Montreat, North Carolina, Zip Code 28757. So that students may have a permanent mailing address, they are asked to rent a box prior to registration for college.

Post Office Hours are posted on the door.

SCHOOL CARS

School cars may be used, if available, for the following

purposes only:

1. Medical

   Take food to Health Center.

   Take students to Health Center when deemed necessary by College nurse.

   Take students to school physician and/or hospital. (The initial trip for each accident or illness will be provided at no charge to the student.)

2. Official school functions away from campus as designated, in writing in advance, by the instructor or sponsor. This notice must be sent to the Business Office. (Fees for these trips are Group Rate.)

3. Individual student transportation to and from airport, train, and bus stations. (These will be made if school transportation is available; otherwise, students must procure their own way to and from these destinations.) (Requests must be made at least twenty-four hours in advance.)

Keys to all College cars are kept in the Business Office and only authorized drivers will be permitted to drive them.

Fees must be paid in advance for use of cars. **Personal use of College cars is prohibited.**

CHECK CASHING SERVICE

Check cashing privileges are available to all students and employees of Montreat-Anderson College. Students are encouraged not to keep extra money in their rooms but rather to open checking accounts locally or from home with established banks. Following are the conditions and limitations for individuals cashing checks at Montreat-Anderson College.

1. The maximum amount permitted for a personal check is $20.00. Checks for a higher amount may be accepted for merchandise, provided the amount does not exceed $5.00 over the cost of such merchandise.

2. The individual's address and telephone number must appear on all checks.

3. The M-A.C. Identification Card will serve as identification for check-cashing purposes.

Procedure

Returned checks will be redeposited. In the event a check is returned for the second time, a penalty of $5.00 will be imposed and a letter written requesting settlement within three days.

If the account is not settled within three days, a hold will be placed on student records until both the check and the penalty have been paid.

Individuals who have two or more returned checks will be identified and all campus check facilities will be instructed not to cash checks for these individuals without special permission from the Treasurer-Business Manager.

Dear Student:

May I welcome you to the Montreat-Anderson College community with the assurance that you will receive personal attention by friendly classmates and Faculty. In the Student Affairs section of the college administration, we strive to meet your personal needs and interests as well as make your experience here enjoyable.

Many activities such as intramurals, dorm parties, dances, clubs, and other exciting events are conducted throughout the year for your participation. I strongly encourage you to become involved in these varied aspects of campus life since your involvement in such wholesome activities will contribute to well-rounded development and future success.

You will find at Montreat-Anderson an equal emphasis upon intellectual, social, physical and spiritual growth. This concept of the total development of the individual will better prepare you for the many challenges and opportunities in the future.

All college situations can not be thoroughly covered by regulations. It is the use of good judgement and regard for the rights of others at all times which our community strives to incorporate. Please understand that just because some conduct is not covered in this book that the college takes a less severe view of wrongdoing.

I look forward to meeting each of you. Please do not hesitate to come to me with any problem or concern you may have. Together we can continue to build Montreat-Anderson College into an institution where quality education and growth occurs within a Christian atmosphere.

Most cordially yours,

C. Larry Wilson
